MAPPING Journey of Grace:

Throughout the series, there will be resource guides for each session to follow up on.

For Christian sources: The Holy Bible, theological commentary, articles and videos.

For LDS sources: The Book of Mormon, Doctrine and Covenants, Pearl of Great Price, LDS church publications, journals, articles and accepted documents. On occasion, a website is linked that contains important information or documents.

“The honest investigator must be prepared to follow wherever the search for truth may lead. Truth is often found in the most unexpected places. He (or she) must, with fearless and open mind insist that facts are far more important than any cherished, mistaken beliefs, no matter how unpleasant the facts or how delightful the beliefs.” Hugh B. Brown – General Conference, Oct. 1962.
