Journey of Grace will take you on a path of discovery as you move through the series. It is our ultimate goal to share the love of Jesus Christ, to build your trust in the truth of His word and to help you gain strength and confidence in your faith in Him like never before.

Please take the time to discuss or journal the questions after you watch each session and to follow up with the resources and information provided.

FOLLOW-UP QUESTIONS:

We recognize that everyone is at a different place in their journey - and your experience matters.

Please take some time to share or journal your story so far regarding:

- What has been your LDS experience?
- What has brought you to this point in your journey?
- Where do you sense God leading you in your life?

We know there may be fond memories, confusion, deep hurt, pain, abuse, loss and more that come up for you, but we want to remind you that Jesus knows what you have gone through and He is the one that has brought you to this point on your journey. He is still reaching His hand out for you to follow Him.

Please follow up on the resource guide and further videos and information provided at: journeyofgrace.com for further research.

There is no fee for Journey of Grace. SLC Ministries (a 501c3 non-profit) is working to put this course into many languages and to continue to make more follow up videos and resources.
