

Luke 1:37 - For the word of God will never fail.

Week 2

Note: It is very important that you know you can trust the Bible and Biblical Christianity for truth and salvation in your life. We want to make sure you have a Bible (you should be able to get a free copy through local Christian churches, or please reach out if needed (care@slcministries.org) and we can help direct you.)

WATCH SESSION 1 - (Approx. 18 minutes)

FOLLOW-UP QUESTIONS:

- There is so much miraculous evidence for the Bible. Were you surprised by any of the Top 10 reasons?
- What struck you the most about the Top 10? Why was that important to you?
- Why would anyone want to change God's word? Are there consequences to changing God's word?

The salvation of man relies on the word of God - we must not take God's word out of context.

All of mankind is invited to read the Bible with new eyes and an open heart. Reading the Bible should be a part of our daily lives. It gives us wisdom, strengthens us, comforts us and more. We'd like to invite you to read the book of John and read it like a child would read it for the first time.

Please follow up on the resource guide as well as further videos and resources provided at: journeyofgrace.com for further research.
