

*Proverbs 8:17 - I love those who love me, and those who seek me find me.*

Week 5

*It can be hurtful for Christians when someone attempts to diminish God's holy word and cherished Christian beliefs. Joseph Smith may have made some of the biggest claims in the history of the world by saying that the book he produced was more reliable than the Bible. Read the paragraph below before you start the video.*

Please read: When Joseph Smith said, "The Book of Mormon is the most correct of any book on this Earth, and the keystone of our religion, and a man would get nearer to God by abiding by its precepts than any other book", he implied that it was more trustworthy and accurate than the Holy Bible. Keep in mind, the Bible includes all 66 books of the Old and New Testaments written by prophets, apostles and ultimately the Holy Spirit. It includes the Creation of everything, God's first interaction with mankind, his covenants, the 10 commandments, plan of redemption, faith promoting miracles, words of prophets (like Abraham, Moses, Isaiah, and many more), the birth, life, ministry, death and resurrection of Jesus Christ, the ministry of the 12 apostles, the establishment of the biblical church and end time revelations. This session was made in order to address the claims of Joseph Smith regarding the Book of Mormon.
